

Rural Settlement Classification by Local Authority Area – User Guide

This document can be used to look up settlements in Hampshire listed in the Housing Corporation Rural Settlement Gazetteer to identify their population listing. This is used to identify schemes eligibility for rural funding.

The document also identifies the designation of the Statutory Instruments as rural areas exempt from the Right to Acquire or Enfranchise. These designations are also used to determine whether a settlement can have an 'exception site' development under Planning Police Guidance note 3.

- The settlements are listed by Local Authority Area.
- The settlement listings, in alphabetical order, are on the following pages:

Basingstoke and Deane	Pages 2-4
East Hants	Pages 5-7
Hart	Page 8
New Forest	Pages 9-11
Test Valley	Page 12-15
Winchester	Pages 16-18

- "Gazeteer Pop'n" is the population listing
- The column to the right of the population listing is the SI listing
- SI schedule 1 listings mean the whole Parish; schedule 2 listings have maps which identify applicable areas
- Some areas designated in the SI are not listed in the Rural Gazetteer
- For further help please contact the Hampshire Rural Housing Enablers (contact details on the HARA website's 'contact us' page)
